

Indiana Municipal Electric Association SCHOLARSHIP ELIGIBILITY

The Indiana Municipal Electric Association (IMEA) Educational Scholarship Program provides scholarships for up to six (6) college / tech school-bound seniors of IMEA municipal members for continuing education annually.

The scholarship aid, in part, is designed to assist the student in attaining the education and skills necessary to compete in today's workforce as he/she works to become a productive and viable member of his/her community.

The \$1,000 scholarship, which is non-renewable, is made available in the spring of each year. The award notification will be presented to the student prior to graduation by a representative of the Indiana Municipal Electric Association. The scholarship will be issued at the end of the first year of college or completion of tech school as long as the student maintains a passing grade.

Eligibility requirements for the scholarship revolve around the following areas:

- Applicant must be a dependent of a full-time member as of January 1 of the year in which the scholarship is sought;
- Applicant must be planning on and consequently accepted to an accredited institution (college, university, junior college, trade/technical school or business school) of their choice;
- Demonstrate leadership, community involvement, personal need, energy awareness and general knowledge of public power;
- Applicant must maintain a passing GPA, complete the first year and provide an official transcript to support minimum GPA requirement and completion of first year to receive award;
- Submit photo (digital-jpg format) and signed release form;
- Provide three letters of reference with application;
- Complete essay; and
- Complete and return application for scholarship, deadline for submissions: **March 01, 2019**
