## PEOPLE & PLACES

### Centerville Municipal Utilities welcomes new Town Manager

IMEA and Centerville Municipal Utilities would like to welcome their new town manager, Kevin Slick.

Kevin has 25 years experience in the utility industry, working for Randolph County Highway Department and the town of Lynn prior to starting his new role with Centerville, June 2018.

Kevin believes that public relations are essential in his new role, keeping the community informed of ongoing projects will lead towards better essential services for the community. Kevin also believes that Safety and Education of his staff and updating equipment will ensure that work is done safely increase efficiency and improve employee morale.

Centerville Municipal Utilities has 12 full-time employees and one part-time employee supporting Electric, Water, Waste Water, Streets and Storm Water. Many of the employees are cross trained and can be rotated to support shortages in other departments as needed.
