IMEA Wishes Brian Adams a Happy Retirement from Bremen Electric Light and Power

IMEA would like to congratulate Brian Adams on his retirement from Bremen Electric Light and Power.

Brian has been employed with Bremen Electric Light and Power for 32 years. Prior to his retirement, Brian served as the Assistant Superintendent for the electric utility. He also served multiple terms as an IMEA Board Member and the Safety and Training Committee. He shared that being involved with IMEA gave him a sense of accomplishment and that the organization is fully committed to meeting the needs of its members. Thank you Brian for your time and efforts for Bremen and IMEA. We truly wish you the best in your future endeavors.
