

## Welcome to New Carlisle, Indiana

### PEOPLE AND PLACES

Host of the 2022  
IMEA Annual  
Business Meeting  
& Vendor Expo

#### JASON QUIRK, TOWN OF NEW CARLISLE

Jason Quirk, serves as the Electric Superintendent of the Town of New Carlisle. Prior to his role as Electric Superintendent, Jason served as the Water Treatment Plant Operator and has been employed by the Town of New Carlisle for twenty-four years. Jason enjoys working in the field and assisting / leading his crew staff in serving their Community.

Whether it is town or contracted staff, Jason values the commitment of both him and his team to serve their customers and assist each other to do the job performed properly, providing exemplary service, and make every attempt to have a little fun in the process. "I attempt to lead by example everyday, but probably shine the most when things blow up. By utilizing my training and experience, remaining calm, collected, and honest with a proven ability to solve problems and work thorough issues. Most importantly, accepting accountability for mistakes with the ability to learn, grow, and improve from them." replied Jason.

#### Safety is KEY!

When working with safety contracted resources, as well as town staffing, a few daily safe work practices include: tailgate talks, proper utilization of PPE, (FOCUS) Following One Course Until Successful, Lock Out Tag Out, Hazard Communication and Department of Transportation Standards.

The Town of New Carlisle Clerk Treasurer, Office Staff & Electric Superintendent, Jason Quirk

## Current Projects

The Town of New Carlisle has a few projects underway for 2022. Beginning with a splash pad being built in the Memorial Park, the Water Tower was recently painted and upgrades are planned for the water treatment plant.

Choice Light and Surf Broadband are installing fiber optic cable throughout the service territory, a few street projects are underway as well as continued capital improvement of overhead and underground infrastructure with pole replacements, re-conducting and lighting upgrades will be a new addition as well as the budget allows.

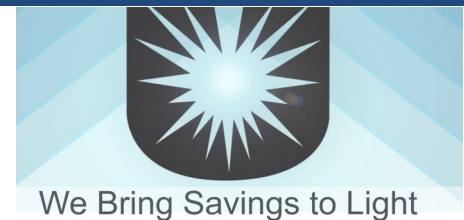

## The Town of New Carlisle: In Support of the IMEA

Jason has utilized the IMEA apprenticeship program for three apprentices and found it effective in assisting with their training. The Town of New Carlisle crew find great value in all safety programs above all in the traffic control training classes.

Jason Quirk feels that the IMEA membership is crucial to all municipals that provide power as this organization offers access to a necessary support system filled with members that share knowledge, experience and network to achieve success.

## Jobs in Public Power

Public power is more to communities than just an essential utility. It is a source of unique and fulfilling career opportunities in your local community. Employees make a difference by serving their own neighborhoods and families. Talented high school, college and technical college graduates—and even technology, environmental and public service professionals—will find that competitive salaries aren't the only thing attractive about careers in public power.
