

INSIDER NEWSLETTER

IMEA. Our Members. Our Mission. To Serve!

We want to thank each of our members for the time invested in making Indiana Municipal Electric Association what it is today. Your investment into the organization shows truly as to why the membership has shown great success for over 83 years.

We look forward to connecting & communicating the value of all IMEA member services & resources with you in the present and the future.

During our time connecting we have offered an opportunity to share some of our programs, events and ways to improve our future services and resources by briefly discussing what your Utility would like to see more of in, 2025. In education, leadership opportunities, ways to be involved with member collaboration (IMEA committees), safety topics & extended lineman workshops.

You are appreciated & we enjoy our time with you when we stop by to visit & say hello.

Careers in Public Power

Public power is more to communities than just an essential utility. It is a source of unique and fulfilling career opportunities in your local community. Employees make a difference by serving their own neighborhoods and families. Talented high school, college and technical college graduates and even technology, environmental and public service professionals will find that competitive salaries aren't the only thing attractive about careers in public power.

Do you have important news or photos that you would like to share in our bi-weekly newsletters? Please email all news and photos to janel@imea.com

To post a classified ad to our jobs in Public Power page. Please email text to janel@imea.com.
