

Safety Message of the Day for IMEA Members

Watch Out for Each Other

Crew safety is shared responsibility.

Every one of us is responsible for the person next to us. If you see a coworker distracted, tired, or about to make a mistake, speak up. That's not criticism—that's respect.

Discussion Points:

- Have you ever been saved by someone speaking up?
- Would you want someone to stop you if you missed something?

Everyone goes home safe only if we look out for one another
